*Fullfill your all Scaffolding needs.....*

## COMPANY PROFILE

**ARIK INTERNATIONAL** is the renowned manufacturers and exporters of Tractor Parts & Strut Channel Support Accessories. Our product range includes

- **Pins** (Linch Pins, R Pins)
- **Bolts** (Eye Bolts, Shackle, Eye Bolt, U- Bolt Fasteners, Hex Bolt, Roofing Bolts, Shear Bolts, Cone Point Bolts, Screws, Wire Eye Bolt)
- **Nuts** (Long Spring Channel Nuts, Short Spring Channel Nuts, Plain Channel Nuts, Top Spring Channel Nuts, Hammer Head Channel Nuts, Kwik Nuts, Hex Nuts, Square Nuts, Wedge Nuts, Coupling Nuts, Shear Nuts)
- **Washers** (Square Washers, Round Washers, Penny Washers, Flat Washers)
- **Bracketry's** (Flat Brackets, L Brackets, T Brackets, 90 Degree Angle Brackets, Delta Brackets, Welded Gusset Bracket, Obtuse Angle Brackets, Acute Angle Brackets, Z Brackets, C Brackets, Top Hat Brackets, Base Plates, Delta Plate, Wing Brackets, Window Brackets, Toe Beam Clamp, Heavy Beam Clamp, Z Type Beam, Stand-off Brackets)
- **Clamps** (Clamp, Beam Clamp with U Bolt, Internal/External Connectors, Malleable Iron Beam Clamp, Pipe Clamps)
- Thimbles, Wire Rope Clips, Turnbuckle, Chains, Cantilever Arms, etc.

## **QUALITY POLICY**

Arik branded products are made with the highest level of accuracy and final finish, free from any casting/machining defects.

## **OUR GOAL**

To install and maintain efficient quality management system as per International Standards, continuously improve quality through up gradation of products, process, design and quality system.

## **WE BELIEVE IN**

Total customers satisfaction through total quality management.

## **DIFFERENTIATORS**

1. Local support office and management
2. Competitive prices
3. Certified products
4. Short lead time for delivery

## Linch Pins

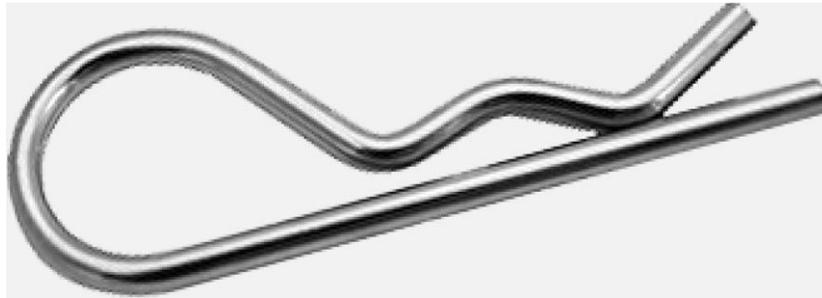

Made of C1020 Steel with spring steel snap ring. With Chain, Ring/Cotter Pin at the end.

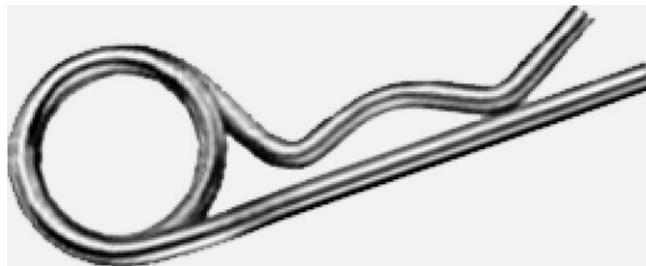

***Features:***

Precisely engineered  
Light weight  
Simple mounting

## Pins

**Made of spring steel wire. Clear zinc plated finish.**

**Made of spring steel wire. Clear zinc plated finish.**

Drop forged machinery eye bolts are fully threaded. Machinery eye bolts without a shoulder should not be used for angular loads.

### **Zinc plated steel**

A low carbon steel for routine use. Zinc plated for moderate corrosion resistance.

### **Steel plain finish**

A low carbon steel for routine use. Unplated finish.

### **8620 alloy steels**

A very high strength heat treated alloy steel.

## Wire Eye Bolt

## Turnbuckle – hook and eye

## Thimbles

## Wire Rope Clips

## Clevis Pins

## Chains

## Shackle

Made of High Tensile Carbon Steel. EN 13889 and U.S. Fed.spec RR-C. 271  
(grade A and grade B)

### Features

- Quenched and tempered
- Consistent product quality
- All parts hot dip galvanized

**U Bolt** offered comes in precision designed and constructed finish and provide for consistent and lasting service performance. We can offer these bolts in diameter options of 4mm to 36mm as well as in lengths of up to 500mm or as demanded by the customers. The not nuts grade options offered here include grade 4.8, 6.8, 8.8 others with hex nuts grade options including grades, 8, 10. We can offer these U bolts with different surface treatment options like plated zinc, hot dipped galvanized zinc and others.

## Thread Rods

We have established ourselves as one of the leading manufacturers and exporters of threaded rod and threaded bars. Our continuous steel threaded rod / threaded bars are available to the following specifications:

DIAMETERS	1/4" to 2" and 4mm to 48mm
STOCK LENGTHS	1 meter, 2-meter, 3-meter, 3 Foot, 6 Foot, 10 Foot, 12 Foot
ROLLED THREADS	UNC, UNF, UNEF (V Form), MM Threads, BSW

Product Code:	AI-466
Product Name:	Plain
Material	Channel Nut are available in mild steel, stainless steel 304 & 316.
Finish:	Hot Dip galvanized, Zinc plated.
Size (MM):	6,8, 10,14

Product Code:	AI-467
Product Name:	Short Spring
Material	Channel Nut are available in mild steel, stainless steel 304 & 316.
Finish:	Hot Dip galvanized, Zinc plated.
Size (MM):	6, 8, 10, 14

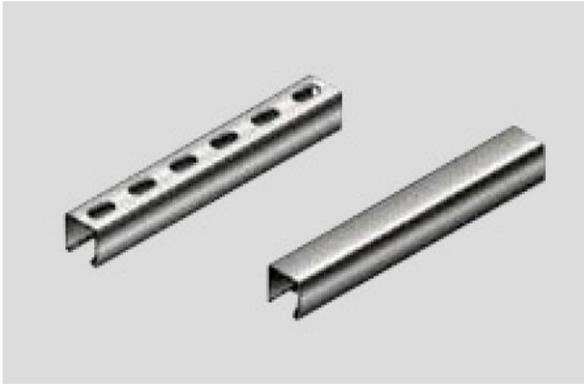

Product Code:	AI-468
Product Name:	Long Spring
Material	Channel Nut are available in mild steel, stainless steel 304 & 316.
Finish:	Hot Dip galvanized, Zinc plated.
Size (MM):	6,8,10,14

**Range** Standard finish on carbon steel nuts is zinc-plated. Hot -Dip channel nuts are also available. Standard size is available in "MM". "INCHES" size is also available with UNC thread in thickness 1/4", 3/8", 1/2".

Mini channel nuts & top retainer nuts production also included in our unit.

Special size nuts like 8 X 6 MM, 10 X 8 MM, 12X10 MM, (First size for hole & second size for thickness).

30 MM thickness channel spring nuts can be produce or manufacture as per customer requirements.

Product Code:	AI-446	Product Code:	AI-447
